Due to natural color variations in the grain, species and color of wood, there may be slight variations in color from one piece to another. Exposure to light and the aging process may also cause darkening of natural wood products. Due to these factors MARQUIS does not guarantee exact matches from item to item.

Please note when ordering a light or clear finish the natural characteristics and variations in the grain of the wood will be more apparent. When ordering a dark or medium finish the natural characteristics and variations in the grain of the wood will be more subdued providing a more uniform appearance. Due to limitations of the printing process finishes shown here may not match actual finishes exactly. Colors on different species or custom color matches are available at an additional cost.
